### WHAT IS THE OBJECTIVE OF A CALL FOR APPLICATION?

This call for expression of interest is not a professionalizing time. It aims at helping hobby musicians improve the quality of their musical performance. The RAVE needs to know the artists who are interested in its residencies in 2018. According to the projects, the RAVE will work with the selected artists to write an action plan, find funds, find technical equipment and help them to achieve their musical plan. Accompanied artists can not be paid during the residency. Please note that our residency programme is subject to confirmation of funding.

### WHO CAN APPLY?

All artists who practise contemporary music can apply. Priority will be given to local artists and foreign artists coming from a city twinned with a city in our geographical area as well as to artists or bands having a high potential of improvement.

### WHAT IS "CONTEMPORARY MUSIC"?

"Contemporary music" includes all forms of today's music except classical music, baroque music and folk music. We can consider that it refers to jazz, rap, rock, metal, hip-hop, reggae, electronic music and other related music.

### WHEN WILL THE RESIDENCIES TAKE PLACE?

Dates will be set with the bands during the coming year.

### HOW WILL THE BANDS BE SELECTED?

Selection criteria are not precisely defined to enable the artists to be innovative, but the room for improvement will be a key factor. A jury of potential funders and coaches will assess all the applications.

### HOW TO APPLY?

All you need to do is to fill in the application form attached and send it to the Rave by email or mail before 20 October 2017.

You can also download it from our website..
